Who we are?

London Health Sciences Centre (LHSC) is a world-class academic health sciences centre located in the southwestern Ontario city of London. Just two hours from Toronto and two hours from Detroit, London features a beautiful and walkable downtown core located on the Thames River, a vibrant culinary scene and scores of activities that highlight local arts, culture and music. As one of Canada's largest acute-care teaching hospitals, LHSC delivers world-class care and experiences, built on our commitment to excellence in research, innovation, and learning. In partnership with our communities, we design and advance healthcare to support the wellness of the populations we serve. LHSC delivers both local and regional services, including the Children's Hospital, within a large geographic area. LHSC is known for its great people and great care, with a workforce of close to 15,000, dedicated to delivering the highest quality patient care while partnering with communities to transform health, one life at a time.
