**Accredited** status indicates that the program is in compliance with the accreditation standard. The accreditation status will expire 6 years from the date of the accreditation award.

**\*Accredited with Condition** status is awarded to the MLA/T programs that have successfully completed the first steps in the accreditation process. It means that the educational program demonstrates partial accreditation compliance and is required to submit one or more follow-up reports within 2 years of conditional accreditation award.

**\*\*Registered** status is awarded to unaccredited MLA/T programs which have successfully applied for accreditation, and accreditation processes are underway.
